VICE PRESIDENT STIRS CONVENTION

Presbyterians Applaud His Message—Hear Many Important Reports.

By the Associated Press.
WINONA LAKE, Ind., May 20.—Consideration of the numerous overtures inaugurated by various presbyteries throughout the country was to begin today at the 133d general assembly of the Presbyterian Church in the United States. Commissioners attending the assembly seemed the most interested in the overtures relating to the office of stated clerk, this being the highest position in the church outside of the office of moderator of the general assembly. Rev. Henry C. Swearingen of St. Paul, Minn., was elected late yesterday to fill the latter office.

women to the eldership and deaconship in the Presbyterian churches. Numerous committee reports, the usual assembly documents and annual reports of the theological seminaries were referred today to appropriate committees.

Coolidge Note Applauded.
Commissioners to the Presbyterian general assembly gave enthusiastic applause to a message from Vice President Calvin Coolidge, which was read yesterday afternoon by Mr. Coolidge's representative, Mr. J. H. McQuinn. "Notification of the general assembly of the Presbyterian Church, to be held at Winona Lake, is to me a message of hope and cheer. There are here and there striking efforts made against every form of righteousness, church or other organized government; but their efforts will prove unavailing. There is a consolation to realize that every day in the year, every night, every Sabbath, there are organizations, especially of a righteous nature, meeting all over our land of men and women dedicating themselves to a life of obedience to righteous authority. Against the forces of evil there is no power that can prevail." (Signed) "CALVIN COOLIDGE."

Great Interest in Missions.
Never has there been more general interest in the missions of the Presbyterian Church than at this time. The Woman's Board of the Presbyterian Church, which has been able to report so many women, young people and children enlisted in the service of home missions as in the year just closed, says Miss Lucy H. Dawson, its general secretary, in her report made today.

Pension Work in Danger.
The church's veteran ministers and their widows' situation. Dr. Henry B. Master, general secretary of the church's board of ministerial relief, reported that the pension work of the church is in danger. He attributed the board's difficulties to failure to consider its needs in preparation of the church's budget and called on the general assembly for relief.

Need for Great Expansion.
The need for great expansion in the work of the Presbyterian Church among the negroes is shown by Dr. S. J. Fisher, president of the Presbyterian board of missions for the south, in his annual report. Dr. Fisher said:

"Never have there been more applications for enrollment in our schools, or a greater interest in their education by the negroes of the south."
\$600,000 Indebtedness.
Nearly \$600,000 yet remains to be paid on the underwriting by the Presbyterians on the interchurch world movement. The Presbyterian church withdrew during its last general assembly, but without making adequate provision for meeting the \$1,000,000 indebtedness, the amount of its underwriting. No provision is made for this debt in the budget of \$12,000,000 prepared by the last executive commission of the Presbyterian Church.

CHURCH UNION DELAYED.

Southern Presbyterians Quickly Dispose of Big Issue.

ST. LOUIS, Mo., May 20.—Proposals for promoting missions, ministerial relief for Christian education and other general assembly of the Southern Presbyterian Church today.

Quick disposition of one of the paramount issues before the church was made yesterday when it was voted to defer action on a proposed union of the five Presbyterian creeds for another year.

The assembly was confronted with a proposal to approve a budget of \$10,500,000 for missions and benevolences, including a large sum for the union of the five creeds. The committee on Christian education and ministerial relief explained the war crippled the ministerial force of the church, and many candidates for the pulpit abandoning their intention of following this vocation.

Rev. Dr. A. B. Barry of Memphis, Tenn., was elected moderator of the Southern Presbyterian Church at yesterday's session.
